DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

- (b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.
- 2. Claims 1-3 are rejected under 35 U.S.C. 102(b) as being anticipated by Araski (U. S. Patent 5,215,479).

Regarding claim 1, Araski discloses a fuse cavity 5a having a housing 5 to receive a fuse B, comprising: said fuse B includes a fuse element; terminals 3 provided at both ends of the fuse element (not shown, see column 2, line 16), and a fuse body 2, characterized in that a protecting projection protruding 4 from a middle part of said fuse body 2 for protecting the fuse element, that said housing 5 has a guide 8 formed at an inner part thereof, said guide 8 being allowed to contact with said protecting projection of the fuse body 2 so as to prevent said fuse B from being inserted obliquely into the housing 5.

Regarding claim 2, Araski discloses a slope 8a is provided at the guide of said housing.

Regarding claim 3, Araski discloses the guide 8 of said housing 5 is made taller than the terminal 3 mounted on the housing 5.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phuong KT Dinh whose telephone number is 571-272-2090. The examiner can normally be reached on 8 -5, 5 days a week.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, TC Patel can be reached on 571-272-2098. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
